## Glavé & Holmes Associates Wins Interior Design Excellence Award

*Richmond, Va.* – Glavé & Holmes Associates was awarded first place in the Hospitality category at the 2009 Interior Design Excellence Awards (IDEA) for the Presidential Suite at the prestigious Pinehurst Resort in Pinehurst Village, North Carolina.

The Presidential Suite transformed defunct administrative offices into a high-end suite at one of North Carolina's historic and most exclusive resorts. The design honors the arts and crafts aesthetic showcasing regional craftsmanship and artistry through the use of furniture, pottery, and art. The palette was organic, sustainable, and embodied numerous historical references to the original owner and his vision for the resort.

The IDEA Awards are sponsored by the American Society of Interior Design (ASID) Virginia Chapter and International Interior Design Association (IIDA) Virginia/West Virginia Chapter. The awards recognize success and creative response in meeting the client's needs and objectives; scale and proportion; color composition; effective use of lighting; and relationship of materials, textures and patterns.

Additional projects underway or recently completed by the Hospitality Studio at Glavé & Holmes include the restoration and refurbishment of the East Wing of the Carolina Hotel at Pinehurst Resort; renovations and refurbishment of the Washington Duke Inn, a 4-Diamond Hotel on the campus of Duke University; and interior design services for the Miller Center of Public Affairs at the University of Virginia.
